Myth #8: Homeless People Should Only Get Housing If They Prove They Deserve It First In debates about homelessness, the topic of whether homeless people deserve resources is common. It seems society is more comfortable providing housing and other resources to people who have jobs, have received treatment, or have done something to prove they're somehow "deserving" of basic human necessities.

---

8 Common Myths About Homelessness – Debunked - Everyday ...
According to the Director of Employment and Social Services, Polly Smith, it is a myth that people seen living rough on the streets aren't connected to community services. Smith said the department, along with numerous partners, reach out daily to the homeless to offer assistance and provide basic needs.
