The Q-VISION Series generators provide power levels up to 80 kW and outputs of up to 150 kVp, meeting the needs of any imaging environment.

High Frequency X-Ray Technology
The Q-VISION HF Series X-ray Generator is intended to be installed, used and operated only in accordance with the safety procedures given within this manual for the purpose for which it was designed. Before attempting to work with this equipment, read, understand, note and strictly observe all warnings, cautions and safety markings on the ...

Q Vision Hf Series X Ray Generators - wakati.co
Q Vision Hf Series X Exactive Series - Thermo Fisher Scientific High Frequency X-Ray Technology - Raynostix Q-VISION HF Series™ X-ray Generators generator technology. The Q-VISION Series generators provide power levels up to 80 kW and outputs

of up to 150 kVp, meeting the needs of any imaging environment. Designed for all aspects of general x ...

The innovative QVision can analyse both fresh and frozen meat/seafood

and it measures fat, moisture, protein and collagen simultaneously and in real-time, delivering highly accurate and consistent results. The hygienic and robust analyser penetrates far into the meat, up to 20 mm, and measures across the full 500 mm width of its conveyer belt.
