2018 Susan Branch Heart of The Home Mini Calendar: Susan ...

Susan Branch Books. y Heart of the Home books are dedicated to the things that connect women, past, present, and future; courage, energy, nurturing spirit, creativity, humor, and heart. We don't have as much time for the art (which is what it really is about) of homemaking these busy days, but we still love our homes, love a cozy nurturing environment- our devotion to home and family is second nature for most of us.
