As part of its extensive work on green finance and investment, the OECD has convened the annual Forum since 2014. As highlighted by OECD Deputy-Secretary General Mr. Kono in his recent Op-Ed (available here), mobilising green finance and investment at scale requires multi-stakeholder engagement. The Forum, now the annual flagship event of the Centre, gathers senior policymakers, investors, and key actors in green finance and investment from around the world for open and action-oriented ...
