AOAC International is a 501 non-profit scientific association with headquarters in Rockville, Maryland.

## Access Free 936 09 Aoac International Book

It was founded in 1884 as the Association of Official Agricultural Chemists and became AOAC International in 1991. It publishes standardized, chemical analysis methods designed to increase confidence in the results of chemical and microbiologic analyses. Government agencies and civil organizations often require that laboratories use official AOAC methods.
