Countrye -- The John Hogan + Lyrics A cottage is, typically, a small house. It may carry the connotation of being an old or old-fashioned building. In modern usage, a cottage is usually a Page 13/40

modest, often cosy dwelling, typically in a rural or semirural location. The cottage orné, often quite large and grand residences built by the nobility, dates back to a movement of "rustic" Page 14/40

stylised in The cottages of the late 18th and early 19th century during the Romantic movement. In British English the term now denotes a small dwelling of ...
