Gnosticism, any of various related philosophical and religious movements prominent in the Greco-Roman world in the early Christian era, particularly the 2nd century. The designation gnosticism is a term of modern scholarship. It was first used by the English poet and philosopher of religion Henry More (1614-87), who applied it to the religious groups referred to in ancient sources as gnostikoi (Greek: "those who have gnosis, or 'knowledge' ").
