The book they actually want - a gift guideA Gift Of Sunlight
A Gift of Sunlight EldritchMage. Summary: I didn't like Kili dying, either, so here's a might-have-been. I hope you enjoy it! When Bilbo managed to sneak Kili and the rest of Uncle Thorin's company out of King Thranduil's larder in barrels, Kili thought the whole thing was a lark. He changed his mind when the Elves blocked the river gates, and ...

A Gift Of Sunlight
The Gift of the Sun is a simple, beautiful folk tale from South Africa. Thulami,the farmer, wants a simple life that will allow him to sit back and enjoy the sun. He tries several different schemes and,in the end, receives a gift from the sun that allows him to do just that. The dialogue was simple, which is fitting for a farmer and his wife.

The wonderful gift of a sunrise is that it is there for everyone to enjoy, whether it is the early morning riser having a cup of coffee on the deck, the corporate employee looking out the window and watching the sun rise over the river, or the kayaker gliding through the water with a front row seat to the morning surprise. The individual on the deck may hear in the distance the neighbor ’ s sprinklers or dogs out greeting the day, the corporate employee may hear the buzz of office machines ...

Port Sunlight – Gift Shop
Sunlight, also called sunshine, solar radiation that is visible at Earth ’ s surface. The amount of sunlight is dependent on the extent of the daytime cloud cover. Some places on Earth receive more than 4,000 hours per year of sunlight (more than 90 percent of the maximum possible), as in the Sahara; others receive less than 2,000 hours, as in regions of frequent storminess, such as Scotland and Iceland.

A wonderful way to enjoy a touch of summer warmth all year round, this solar jar light harnesses the sun's power during the daylight hours and then beams it back out once night falls. It's like having a little piece of sun in a jar will glow on cue! Ideal as a light source both indoor and outdoor, this portable glowing jar lamp uses an LED bulb, making it not only as bright as a candle but eco-friendly to boot.
