A Prearranged Love

This was a quick sweet read. Rekha and Arjun meet in a "prearranged" location based on the set up by their respective mothers and the first meeting does not go well and as it usually does, fate intervenes and she finds herself working for the ad campaign for Arjun's company. This was a simple tale of friendship progressing and blossoming into love.

A Prearranged Love looked like a cute read and it turned out to be exactly that. It was short and sweet and quite realistic. Not everyone has bells ringing in their hearts with the love at first sight thing, some people take time to really get each other and that was exactly Rekha and Arjun's story. Rekha is spirited and independent.

Arranged Marriages | Psychology Today

Japan is another society with a strong history of arranged marriages. Most young Japanese people today favor the love marriages which are common in the Western world, but it is estimated that somewhere between 10-30% of all marriages in Japan are arranged. Arranged marriage in Japan was initially practiced by the Samurai class in the 16 th Century. Much like their counterparts in the European royal families, the Samurai used marriage as a means to secure military alliances.
