The counseling approach of choice in addictions or recovery counseling would include both components as necessary and sufficient conditions. Recovery from addiction requires counselor qualities and the establishment of a therapeutic relationship as well as clear education, instruction, and a plan of action.

~~Additions Counseling: A Practical and Comprehensive Guide~~ ---

Theory-based approaches to substance abuse counseling. Substance Abuse and Addiction Treatment shows how to help clients struggling with addiction by looking through the lens of counseling theory. After tackling basic concepts of substance abuse and addiction counseling, it looks at different counseling theories and how each supports the client with substance abuse issues.
