This is my classic first book, written in 2007. The cool thing about this book is that despite the march of research, I still agree with the foundational principles, although some of the smaller details have evolved over the past decade. The concepts and practical applications are so effective, and this is probably the main reason I haven't written a new edition.

The Lean Muscle Diet was released Dec 23rd, 2015. This is a Rodale publication, I co-authored it with Lou Schuler.This book is much more palatable for the lay audience, and it's obviously more current than Girth Control, which still has valid & practical info, but is now about 8 years old.The Lean Muscle Diet is 320 pages, but it's an amazingly quick and surprisingly enjoyable read, and it ...
