~~Alienation The Soviet Economy Dingjore - h2opalermo.it~~

" The greatest value of Alienation and the Soviet Economy lies in the insistence that studies of the Soviet economy which focus on the process of central planning are detached from reality, and obscure, rather than advance our understanding of the system and its evolution. Fortunately, an increasing amount of research is being devoted to the development of explicitly or implicitly polycentric models of the Soviet economy, based on analyses of individual decision-making behavior.
