American Cinema/American Culture looks at the interplay between American cinema and mass culture from the 1890s to 2011. It begins with an examination of the basic narrative and stylistic features of classical Hollywood cinema. It then studies the genres of silent melodrama, the musical, American comedy, the war/combat film, film noir, the western, and the horror and science fiction film ...

~~Before You Go: America's Culture and Customs~~

American Cinema/American Culture is a well written book. It takes you through the evolution of the movie industry throughout history. It has a very pragmatic point of view when explaining the social motives for introducing new artifacts and techniques in the movie-making process, almost in a deterministic cause/effect pattern.
