As much as the political leanings of traditional superheroes are hidden within the comics, it is obvious which side of the political spectrum they prefer. Characters in left wing comix are more forward with their opinions. While traditional superheroes try to protect the values of society as it is, new superheroes try to determine

American Superheroes and the Politics of Good and Evil

Superheroes And American Politics. By Laurence Maslon and Michael Kantor. The central exploration of our three-hour PBS documentary "Superheroes: A Never-Ending Battle" (and its copious companion volume, published by Crown) is how did costumed comic book adventurers smash through the walls of American culture and come to our rescue.

Superheroes And American Politics | HuffPost

The article discusses the role of American comics superheroes from the political point of view. It mentions the significance of superhero comics in the consensus and morale during the World War II. Accordingly, the ultimate symbol of American idealism is Captain America. It explores the ups and downs of underground comix and left wing comics.
