climbing areas across the U.S., and having AMGA certified guides on staff is often required for a guide service to obtain liability insurance or terrain access.

AMGA Training Courses: Become a Certified Rock Climbing Guide

Historically, professional rock guiding has been a male-dominated field – and it's time to change that. We are excited to offer, along with The North Face, the first Women's Rock Guide Course – a professional rock guide training course specifically for female students and taught by women of the AMGA Instructor Team.

program goes through AAI, as they are approved to accept VA funding.

FAQs for Professional Members | AMGA

Our courses are all run by Travis Weil, an AMGA Certified Rock guide and NMS employee with experience conducting several dozen SPI courses. Travis is a talented climber, guide and instructor and will serve as the AMGA SPI Provider while NMS is considered the “host” organization for these courses. Topics Covered on SPI Course

AMGA SPI Course | Single Pitch Instructor Course

Read Book Amga Rock Guide Course

The AMGA Single Pitch Instructor (SPI) Course is not just the quintessential course for aspiring guides. It is also a course that many recreational climbers take to ensure that when they take friends and family out climbing, they are doing so in a manner that is consistent with professional rock climbing instructor standards.

AMGA - Rock Guide Course

You have successfully completed an AMGA Single Pitch Instructor Course, AMGA Top Rope Site Manager Course, or AMGA Rock Guide Course at anytime in the past. You have trad lead climbed a minimum of 40 graded rock climbing routes. A large number of these should be at 5.6 grade and hopefully on a variety of rock types.
