An Enchanted Season - Nalini Singh :: NYT bestselling author

AN ENCHANTED SEASON - 4 STARS The reason that I bought this book was because of the Nalini Singh book as I am obsessed with the Psy-Changeling series. Naturally, I read that story first, but I couldn't not read the rest of the book. So I started at the beginning, reading it straight through (Of course I read Singh's story again!) and I'm glad I bought it because I liked all the stories.

cried. I can ' t remember the last time I cried while reading a romance novel or when I last read in the car, but I did both. It was that good. Beat of Temptation is a stand alone novella set in the Psy-Changeling world, and while it isn ' t essential to the series, it offers a glimpse into the changeling mating bond.
