If you're looking to explore baby-led weaning, you've come to the right place. With more than 25 years expertise in feeding babies, Annabel Karmel shows you how you can incorporate it into your family routine. The most important aspect of weaning is to introduce a wide variety of healthy foods, flavours and textures early on, and encouraging self-feeding of soft finger foods and family meals is a great way of encouraging good habits from the very start.*

While lots of parents have success with spoon-led or baby-led weaning alone, combining the two is most suited to lots of families. Giving pur\u00e9es when your baby is ready for first foods (particularly if slightly earlier than 6 months), with the introduction of finger foods and family meals from around 6 months is a fantastic flexible option.
