Annotated Mona Lisa

The Annotated Mona Lisa really is a crash course on art history, covering much of the materials needed in about 200 pages. I literally had a cram study session with my friend the day before our AP Art History exam by reading through this entire book. I'm really glad

The Annotated Mona Lisa: A Crash Course in Art History

...

"The annotated Mona Lisa" allows you to appreciate paintings you have already seen in a new way (you must try to pay attention not only to de color and composition but also to the historical circumstances in which it was painted, and to the meaning hidden in the painting) and introduces you to new ones. Carol Strickland, in the introduction to this book, tells us that "There is a world of ...
