Apples are among the world ’ s most popular fruits. They grow on the apple tree (Malus domestica), originally from Central Asia. Apples are high in fiber, vitamin C, and various antioxidants. They...

**Apples 101: Nutrition Facts and Health Benefits**  
The interesting thing about this recipe is the way the caramel sauce is poured over the apples and the lattice crust. You know how with a traditional apple pie some of the apple juices will caramelize as it bakes and bubble out of the pie and bake into and onto the flaky crust? That's how this whole pie is.

**Apple Recipes | Allrecipes**  
Apples are ripening on their normal schedule this year. There have been few late frosts in the main apple growing regions, rain and temperatures have been good, so the year is shaping up well for a good apple crop. It's too early for prices, but I expect most areas to see \$14 to \$30 a bushel, depending on variety!

**Apple varieties - An alphabetical chart of which apple to ...**  
Best Apples for Applesauce Below is a list of apples which are best for sauces and fresh preparation. Softer apples tend to work best for sauces as well as baking dishes that cook quickly, like muffins. Use firmer apples (such as above) for dishes that cook 45 minutes or more.
