The phrase bad to the bone comes from, and was popularized by, the 1982 blues-rock song of that same name by George Thorogood and the Destroyers. Throughout the lyrics, Thorogood's speaker brags of his ability to charm women, memorably stuttering the song's signature phrase as "b-b-b-bad to the bone.". In this context, Thorogood is using bad in a literal sense of "wicked" or "immoral," but he is also playing on the word's inverted slang sense of "excellent."
