But one midwife confessed that there's one name she can't stand, but that didn't stop countless parents from choosing it. She responded to the prompt: "What baby name screams 'my parents think ...

I'm midwife and there's a baby name I can't stand – everyone thought it was so unique but it's just awful

The grief at that bereavement is terribly hard to handle. The poor mother is, therefore, lucky to have trained and sympathetic midwives to help her with the trauma, but this is under threat.

A little problem with the nation's midwives

One former midwife has now admitted there's one baby name she just cannot stand - and it infuriated her every time she heard someone give it to their child. The woman said one of the most popular ...

Midwife shares baby name she can't stand - as she says those who pick it have 'no taste'

The Irish Nurses and Midwives Organisation (INMO) will begin balloting all nurses and midwives who are public sector employees for potential industrial action. In a statement the organisation said ...

Public sector nurses and midwives to vote on strike action

The Ministry of Education has revealed plans to review the curriculum for nursing and midwives programmes to make it more flexible. In an interview with Monitor yesterday, the State Minister for ...

Govt to review curriculum for nurses, midwives

Having 200 maternity units inspected will probably do little other than further reduce the number of midwives ("Inspection blitz on maternity units amid new system safety concerns", News ...

Only midwives should supervise midwives

The biggest limitation to abortion in Canada is access. Midwives could help fill this gap. Photo via Shutterstock. I sat in the waiting room of a busy reproductive health-care clinic with averted ...

Why Can't Midwives Provide Abortion?

Alberta Health Services has notified more than 1,500 former patients of the Calgary Midwives Collective, telling them about potential exposure to hepatitis B after health inspectors determined it ...
