## The Ultimate Guide to Learning Photography: Post-Processing

The B&W image on my original camera LCD were perfectly acceptable, but the post-converted RAW file could not seem to give me what I wanted. If the original scene had been properly lighted with a correctable light (light that could have

been properly balanced to begin with), then I completely agree that conversion in post is the best way to go.

## Better To Shoot in B&W Or Convert in Post?

The word photography comes from the ancient Greek words for “light” and
