### Teaching at the Bedside MAHEC

When conducting bedside teaching □ Establish rules of conduct for bedside presentation early in the rotation. □ For example: - Residents/students should not whisper in the patient's room. - Telephone calls should be made discreetly outside the room. - Laughing at a patient and the patient's responses is never appropriate.

### Bedside teaching is fun, so why is clinical teaching

Here are some tips in achieving better bedside manners: Don't: Talk rapidly, ask multiple sets of questions or change subjects rapidly. Why: Patients can get easily confused.

### Don't Say That, Say This: 7 Examples Of Better Bedside

One of the most well-known frameworks for bedside teaching is the '1-Minute Preceptor' or 'Five Step 'Microskills' model of clinical teaching', a focused, concise, teaching tool that is easy to implement in a busy environment.4 Using this technique, a student first presents a case to the teacher. The student is asked to commit to a diagnosis or clinical position and is then probed by the teacher for evidence supporting his/her position.
