At its heart, though, Before I Forget is a love story: illuminating a love of family, life, and hope. Though filled with scary moments and dark days, it is ultimately an uplifting account, coming out at a time of exciting medical progress that may not help B. in time, but will ultimately help us all combat this dreaded deadly disease.

Before I Forget — B. Smith

"Before I Forget, Dan Gasby's valentine to his wife, B. Smith, courageously lifts the veil that shields those with Alzheimer's. It is moving testimony to the power of love and the true meaning of what "in sickness and health" really means. Before I Forget is, quite simply, unforgettable."

"Before I Forget" is a song by American metal band Slipknot. Released in June 2005 as the third single from their album Vol. 3: The Subliminal Verses, it won a Grammy Award for the first time in Slipknot history. The song appeared on soundtrack of Guitar Hero III (considered one of hardest songs in the game, mostly because of the extremely quick chord part in the bridge) and MotorStorm.
