global trading system, with a primary focus on important policies or controversial issues such as the Doha Round, antidumping duties, regionalism and fair trade.

~~Lecture Notes on International Trade Theory and Policy~~

Being meticulous and accurate about recording sources and direct quotations is an important part of academic discipline, as well as helping to avoid accidental plagiarism. This means:

- always recording the necessary details for any source you use as soon as you start taking notes. Don't wait till you've finished reading - you may forget, or misplace the text.
