1837  
Forging the Nation 1707-1837 explores how British Nationalism developed in the period between the Act of Union in 1707 and the coronation of Queen Victoria.

British Nationalism In Linda Colley's Britons: Forging The ...  
My take from this book is that what we now think of as British identity was essentially knitted together during the period this book covers, from the Union with Scotland in 1707 to the accession of Queen Victoria in 1837, but most particularly in the years following the loss of the American colonies in 1776.

Foundational to this article is the  
notion that the British Empire and  
the British nation were and  
remain mutually constitutive  
institutions. Rather than arguing  
that the nabobs found themselves  
the subjects of widespread  
criticism as a result of political  
hostility articulated by the  
political elite and directed against  
imperial mismanagement ...
