Bury Me Standing The Gypsies

Bury Me Standing is more a cultural anthropology thesis than a book, so it is somewhat dense and hard to read.

The facts and people and places are wonderfully interesting, but could have used editing. Stories of the Gypsies are rare, our understanding of these people is filled with prejudice and misinformation.

Bury Me Standing: The Gypsies and
Their Journey: Fonseca ...

Bury Me Standing is a combination of an anthropological study and a history, weighted more heavily towards the former. The bulk of the text is a chronicle of Fonseca's experiences traveling in Eastern Europe, where she
