Business and Society, Corporate Strategy, The role of business has been changing over the centuries. Throughout the existence of shareholding organisations there have been different theories (Jones v. H. F. Ahmanson & Co., 1 Cal. 3d 93 (1969) regarding the role of business. Organisations too have been changing their role to adapt to resource, capital and society pressures (The Hugh & Helene Schonfield World Service Trust).

Difference Between Business Strategy and Corporate Strategy. Business strategy is concerned with the strategic decisions concerning the choice of product, competitive advantage, customer satisfaction, etc. On the contrary, corporate strategy is concerned with the overall objective and scope of business to fulfil stakeholder's expectations. The strategy can be defined as the integrated plan or a trick used to get success in a particular affair.

~~Difference Between Business Strategy and Corporate ...~~

Business strategy refers to how a firm competes, while corporate strategy answers questions concerning the businesses with which the organization should compete. International strategy is a key feature of many corporate strategies. In some cases, international strategy takes the form of outsourcing or offshoring.
