Taylor Caldwell has written an add on to the story that is a warning that the "controllers" are not fiction and were more powerful than ever. In the Captains and the Kings some historical events described are the US civil war, the presidencies of Lincoln, labor struggles, the making of Teddy Roosevelt, and immigration.

~~Captains and the Kings Audiobook | Taylor Caldwell ...~~

Taylor Caldwell started writing in the late 1930's and in a few years became a best selling author much disliked and ignored by the US Establishment of the time which was already quite liberal regardless of party label. This was due to her abiding espousal of traditional American and Christian ideals and values which are very evident in her books. Captains and the Kings (CAK) was written much later (1972) in her career, almost 40 years after the start of the New Deal and during the domestic ...
