Just failed CCNP TSHOOT 300-135 test - Based on the results, what should I focus on for next try? Hi Everyone, I just failed the 300-135 with a score of 795 (needed 846 minimum). I don't mean to dispute the results but I want to share my concern. Roughly 70% of the questions were labs where you had to run some "show" commands and understand what the problem was and then answer based on your diagnosis, only one of them actually required you to take action and solve the problem (and I assure ...
