environment. He writes, The Tao (Dao) engenders them, And its Te (de) cultivates them; The physical world gives form to them, And their environment completes them.<sup>9</sup>

## Chapter 1: Rethinking the Concept of Shi The Concept of Cohesion

1.1.Introduction: a new approach to cohesion In this chapter we will examine the concept itself of cohesion, outlining the different ways that certain features of texts can be considered ‘ cohesive ’ and the different general categories of cohesive features that are found in texts. In this discussion, we will lay the basis for the new approach that we propose, focusing on discourse rather than on text, as studies have hitherto done.

## The Nature of Curriculum CHAPTER 1.

The intent of this introductory chapter is to provide curriculum leaders with a general overview of the curriculum field and a set of concepts for analyzing the field. To accomplish these related goals, the discussion that follows focuses on these outcomes: defining the concept of curriculum, examining the several types of curricula, describing the contrasting nature of curriculum components, and analyzing the hidden curriculum.
