Chapter 5 Research design and method - University of Pretoria

147. 5. CHAPTER 5: RESEARCH DESIGN AND METHODOLOGY 5.1 Introduction. In this chapter the research process, design and methodology will be discussed further by referring to accepted trends and models from the research methodology literature, which was used as a basis to structure a research strategy and plan.

5. CHAPTER 5: RESEARCH DESIGN AND METHODOLOGY

Title: Chapter 5 Formulating the research design 1 Chapter 5Formulating the research design 2 Underlying issues of data collection and analysis "Well begun is half done --Aristotle, quoting an old proverb ; 3 Underlying issues of data collection and analysis. Research design focuses upon turning a research question and objectives into a research project.

PPT Chapter 5 Formulating the research design PowerPoint ...

The research design sets the parameters of your project: it determines exactly what will and will not be included. It also defines the criteria by which you will evaluate your results and draw your conclusions. The reliability and validity of your study depends on how you collect, measure, analyze, and interpret your data.

Research Design | Types, Methods, and Examples
