**Hegel by Charles Taylor - Goodreads**

Charles Taylor book becomes a helpful way to understand hegels complex formulations on topics suchs as logic, history and essences (wich in my case was very useful). I would definitely recommed this book for anybody who is interested on XIX century philosophy, german philosophy and/or political philosophy.

Professor Taylor relates Hegel to the earlier history of philosophy and, more particularly, to the central intellectual and spiritual issues of his own time. He sees these in terms of a pervasive tension between the evolving ideals of individuality and self-realization on the one hand, and on the other a deeply-felt need to find significance in a wider community.
