Gu Guoliang, Center for Arms Control and Nonproliferation Studies Institute of American Studies, Chinese Academy of Social Sciences, China.

China and North Korea - Strategic and Policy Perspectives ...

China's North Korea policy has been a typical example of such a perception and bias. Conventional wisdom is that North Korea has been China's strategic asset and natural ally due to its ideology, socialist system, geographical proximity, and the fact that they fought on the same side in the Korean War.

China's Evolving North Korea Policy

China and North Korea: Strategic and Policy Perspectives from a Changing China (International Relations and Comparisons in Northeast Asia) eBook: C. Freeman: Amazon.co.uk: Kindle Store
