COPD has negative impacts on different domains of carers' lives, such as physical health, emotional, social and

Download Free Chronic Illness

financial impacts. There is a lack of intervention studies that directly support these carers and the existing interventions are focused on disease management education for patients and carers.

Impacts of COPD on family carers and supportive ...

Due to the importance

Download Free Chronic Illness

that patients with chronic diseases attach to the improvement or at least the maintenance of HRQoL, the objective of this systematic review was to determine the characteristics of the interventions conducted by nurses aimed at improving the HRQoL of people over 18 years of age with chronic diseases.
