The CIBSE Guides offer comprehensive technical  
guidance on key areas of building services  
engineering. The current set of Guides is listed below  
(click the titles for full details). The Guides can be  
freely downloaded by CIBSE members or ordered as a  
hard copy. PDF or hard copy versions can also be  
purchased by non-members.

CIBSE - CIBSE Guides

The purpose of CIBSE Guide G: Public health and  
plumbing engineering is to provide guidance to

practitioners involved in such systems. In addition to its core readership of public health designers and installers, this Guide should also be of interest to architects and authorities who, while not directly concerned with public health engineering, need to understand the advice offered to them by specialists.

### CIBSE - Building Services Knowledge

CIBSE Knowledge Portal - search, view and buy CIBSE publications in PDF and hard copy, plus other building services publications and link to British standards.
