This book is therefore not concerned about the particular features of the language nor about Prolog programming skills or techniques in general. A relatively pure subset of Prolog is used, which includes the 'cut', but no input/output, no assert/retract, no syntactic extensions such as if then-else

The major effects of stress on college Students. Here we are going to discuss some of the major effects of different types of stresses on college students. Mentally. Naturally, a little amount of stress is good for students, as it's necessary for being self-motivated. But it becomes dangerous when there is too much stress.
