Participle clauses do not have a specific tense. The tense is indicated by the verb in the main clause. Participle clauses are mainly used in written texts, particularly in a literary, academic or journalistic style. Present participle clauses. Here are some common ways we use present participle clauses.

Participle clauses | Grammar - Intermediate to upper...

A clause is a group of words that includes a subject and a verb. (A clause functions as an adjective, an adverb, or a noun.) A clause contrasts with a phrase, which does not contain a subject and a verb. The distinction between a clause and a phrase is clearer when you see them side by side: Anna sings...

Clause | What Are Clauses?

In English language, a compound sentence is composed of at least two independent clauses. It does not require a dependent clause. The clauses are joined by a coordinating conjunction (with or without a comma), a semicolon that functions as a conjunction, a colon instead of a semicolon between two sentences when the second sentence explains or illustrates the first sentence and no coordinating ...
