Clinical Radiology Made Ridiculously Simple. A clear, concise approach to acquiring the skills of interpreting the clinically vital components to the most common radiographic conditions seen in the emergency room or on the ward by the non-radiologist. While intended for medical students and residents, it is also useful for nurses, nurse practitioners, PA ' s and X-ray technicians.

5.0 out of 5 stars Clinical Radiology Made Ridiculously Simple. Reviewed in the United States on November 22, 2008. Format: Paperback Verified Purchase. I love these "Made Ridiculously Simple" series. I have a pharmacology book from the series too, and both are great for cutting things down to basics in easy understandable terms.
