Inner-city black America is often stereotyped as a place of random violence; in fact, violence in the inner city is regulated through an informal but well-known code of the street. How you dress,...

~~Code of the Street: Decency, Violence, and the Moral Life~~

Inner-city black America is often stereotyped as a place of random violence; in fact, violence in the inner city is regulated through an informal but well-known code of the street. How you dress, talk, and behave can have life-or-death consequences, with young people particularly at risk. The most powerful force counteracting this code and its reign of terror is the strong, loving, decent family, and we meet many heroic figures in the course of this narrative.

~~Code of the Street: Decency, Violence, and the Moral Life~~

"Code of the Street" is His ethnographic portraits of how individuals navigate life in an extremely poor, all African American neighborhood are important, powerful, and add to our understanding of inner-city experiences and the legacy of slavery and the ongoing existence of racism and racial segregation.
