Coma (novel) - Wikipedia

"Coma" is a medical mystery/thriller by Robin Cook. It was the initial book that earned him the reputation as a successful author. It's a pretty good book. A little weird in places. And the main character has all the common sense of a doorknob. Susan is a third year medical student in Boston just starting her first day at Memorial hospital.

Coma by Robin Cook - Fantastic Fiction

Robin Cook has always been one of my favourite authors. I'm a big fan of both his medical thrillers and his other works. Several of his works have been turned into movies and miniseries (albeit with mixed results). Here's a list of all movies and miniseries based on works by Robin Cook:
