For the oldest three games, Command & Conquer 1, Red Alert 1 and Tiberian Sun, their specific unofficial patches should do the trick, since all of those are freeware anyway. These specific patches should be installed after the TFD v1.03 patch though, since there have been quite some developments in these patches since the TFD v1.03 patch was created.

Command & Conquer is a real-time strategy video game franchise, first developed by Westwood Studios. The first game was one of the earliest of the RTS genre, itself based on Westwood Studios' influential strategy game Dune II and introducing trademarks followed in the rest of the series. This includes full-motion video cutscenes with an ensemble cast to progress the story, as opposed to digitally in-game rendered cutscenes. Westwood Studios was taken over by Electronic Arts in 1998 and closed do
