Communication at Work – Simple Book Publishing

While face-to-face communication is by far the best way to build trust with employees, it is not always an option. Take time to decide whether information delivered in a printed copy would work better than an email or if a general memo will suffice. Keep everyone involved – Ensure that lines of communication are kept open at all times. Actively seek and encourage progress reports and project updates.

The importance of good communication in the workplace ...

CHAPTER I INTRODUCTION Communication is the glue that holds a society together. The ability to communicate enables people to form and maintain personal relationships. And the quality of such relationships depends on the caliber of communication between the parties (Brennan, 1974). Communication is the process of sharing ideas, information, and
