Comprehension Questions Soft Rain - wiki.ctsnet.org

This guide was designed for an individual or small group to complete before, during, and after reading the short novel "Soft Rain" by Cornelia Cornelisson. The novel is the story of a young Cherokee girl at the time of the Trail of Tears. Through the eyes of Soft Rain, students become witnesses of the difficulties and inhumanities suffered by the Cherokee and other native tribes through forced relocation, but there is still hope for her people and for the continuation of their culture.

Trail of Tears - At the beginning of the 1830's, about 125,000 Native Americans lived in the southeastern part of the United States. Ten years later, very few remained. The government wanted to help plantation owners grow cotton on the land where the Indians lived. They forced the Indians to leave their homes and travel to a new territory given to them across the Mississippi River.
