Buy Computer Systems: A Programmer's Perspective: United States Edition 1 by Bryant, Randal E., O'Hallaron, David R. (ISBN: 9780130340740) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Computer Systems: A Programmer's Perspective: United ...
Bryant and O'Halloran explain the important and enduring concepts underlying all computer systems, and show the concrete ways that these ideas affect the correctness, performance, and utility of application programs. The book's concrete and hands-on approach will help readers understand what is going on "under the hood of a computer system.

Computer Systems: A Programmer's Perspective (2nd Edition ...
I picked up Computer Systems: A Programmer's Perspective (2nd Edition) by Randal Bryant and David O'Hallaron while searching for a stimulating book on computer architecture or operating systems. CSAPP turned out to be a good find since it is aimed at the intersection of computer architecture, computers systems and OS.
