Confessions can be of two kinds: confessions of faith and
confessions of failure. Bryan Magee's vividly written intellectual
autobiography has the character of both. His convictions make for
exhilarating reading; but his failure to find in philosophy a reliable
answer to his deepest concerns casts a shadow over the book, which
darkens in the last chapter to a tormented despondency.

Confessions of a Philosopher is not so much about Magee's intimate private life, about which there is little, apparently, to be confessed. It's pretty much about his contact with the world of philosophy and its leading figures - Bertrand Russell, Karl Popper, Ludwig Wittgenstein and the like, all of whom he has met and usually interviewed.
