Currently, she is working towards chartered membership of the Chartered Institute of Building (CIOB) and full IEMA membership of the Institute of Environmental Management & Assessment IEMA. Baiyi Li. PhD, BSc (Hons) Baiyi Li graduated from Chongqing Jianzhu University (Chongqing University), China, in 1999.

A Handbook for Construction Planning and Scheduling ...

Planning, scheduling is an important part of the construction management. Planning and scheduling of construction activities helps engineers to complete the project in time and within the budget. The term 'Construction' does not only denotes physical activities involving men, materials and machinery but also covers the entire gamut of activities from conception to realization of a construction project.
