## **Construction Contract Administration and Site Supervision ...**

The Contract for construction includes a set of conditions recommended for building or engineering works where the owner provides most of the design. However, the contract work may also include some contractor-designed civil, mechanical or electrical works. These days many contractors design a significant portion of the work on their own, so the conditions of contract for construction includes ...

## **TEMPLATES**

Any template for supervision agreements should be capable of being individualised for each supervisee. It is not good practice for there to be one standard universal document which is the same for every supervisee. The agreement should be a 'live' document that provides a foundation for reviewing the supervisory relationship.
