Constructivist Strategies for Teaching English Language ...

Among the strategies for constructivist teaching, this strategy is very effective to promote students' logical thinking and a good way to check understanding. It consists of giving your student a series of things, whether statements or phrases in English or a foreign language studied, or images or symbols representing steps to solve a math problem or to conduct a science experiment in the wrong order.

What Is a Constructivist Approach to Teaching? | The Classroom

History. Constructivist approach teaching methods are based on constructivist learning theory. Scholars such as Ernst von Glasersfeld trace the origin of this approach to the philosophies of Immanuel Kant, George Berkeley, and Jean Piaget. There are those who also cite the contribution of John Dewey such as his works on action research, which allows the construction of complex understanding of ...
