I Contain Multitudes | Ed Yong | Talks at Google *Contain Muludes Microbes Within Grander*

Instead of allowing genetic material to float around freely, like other bacteria do, these beings wrap it up and contain it within a kind of package. This is similar to what's done in more complex ...

Think all bacteria are microscopic? Tell that to these centimeter-long monsters

Researchers at the DOE Joint Genome Institute, Lawrence Berkeley National Laboratory (Berkeley Lab), the Laboratory for Research in Complex Systems (LRC) and at the Université des Antilles describe ...
